

Endorectal Ultrasound Dataset License Agreement for Usage

Required Information:

1. Name of the research project (study) for which the data is requested:
2. Agency (Institution) funding the study (if any):
3. The expected outcome of the study (publication, software, etc.):

Consent:

By signing this agreement, I/ We agree to the following regarding the use of the Endorectal Ultrasound Dataset (referred to as the ERUS dataset in this agreement):

1. **Redistribution and Ethical Practices:** Without prior written approval, the ERUS dataset will not be further distributed, transmitted, published, copied, or disseminated in any way or form whatsoever, either in whole or in part, whether for profit or not and all standard ethical practices will be followed during the usage of the ERUS dataset.
2. **Modification and Commercial Use:** Without prior written approval, the ERUS dataset, either in whole or in part, cannot be modified or used for commercial purposes.
3. **Citation/ Reference:** All documents and published artifacts that use the ERUS dataset will acknowledge the use of the dataset by including an appropriate citation to our paper:
Jiang, Yuncheng, et al. "Towards a Benchmark for Colorectal Cancer Segmentation in Endorectal Ultrasound Videos: Dataset and Model Development." arXiv preprint arXiv:2408.10067 (2024).
